

Behind the Ears Mask Cover

TDi

Measure the total distance outlined by the dashed lines. The measurement is the total distance above the eyes around the ear, below the nose, around the opposite ear and reconnecting. The circumference of this loop will aid in sizing of the mask required.

Part Number / Description	Elastic Sizes	Measurement
TD10541-09 S Headsize	Sides : 7.5"	26"
TD10541-11 M Headsize	Sides : 8.5"	27"
